

Kaiser High School
Catamount Pride Band and Color Guard
UNIFORM & INSTRUMENT ACCESSORIES FOR BAND MEMBERS

2017 - 2018

Parents &/or Guardians,

We are asking each individual student to order his/her own accessories. We as an organization will not be placing an order for these items this year. It will be the responsibility of the family to purchase the following items for their student. All items will need to be brought to the evening band practice on **TUESDAY, SEPTEMBER 5 for inspection.**

The Shoes, Spats, Gloves & Socks are regulation Marching Band items that will be worn with the Band Uniform for competitions. (The Shoes & Socks, should last your student throughout their High School career.) Please make sure your student brings home the Shoes, Spats, Socks & Gloves after each performance and they are polished &/or washed and ready for the next competition. (Shoe Polish for shoes. Spats and gloves are washed by hand with soap and water) Cleanliness increases our scores during competition. Thank you for your support and cooperation.

*****New members in band will need to order the Shoes, Spats, Socks & Gloves.**

Returning members will need to order the Spats & Gloves, unless a new pair of shoes and socks are desired.

Students in **Pit or just in Field Show** are encouraged to purchase the white spats and gloves. If there is an opportunity for your child to march in the block, they will have their items ready to wear.
