TIN/EIN#: 33-0870378

Dear Business Owner or Community Neighbor,

The Kaiser Catamount Pride Band & Color Guard became a performing organization when the school was opened in 1999. Since that most auspicious occasion, the Catamount Pride has established itself as a quality organization winning band reviews and field tournaments all over Southern California.

Our concert and jazz ensembles consistently achieve superior ratings at SCSBOA and national festivals. We have participated in the Hollywood Christmas Parade on numerous occasions and have performed at many nationally acclaimed field tournaments and parades. We have the distinction of having performed at every grand opening in the city of Fontana since 1999. It is because of our excellent performances we had both the honor and privilege of being the first band from the City of Fontana to be selected to participate in the prestigious Tournament of Roses Parade in 2019 as the featured band for the opening ceremony performance.

The Kaiser High School Catamount Pride Marching Band and Color Guard Booster Club is a non-profit organization comprised of dedicated volunteer parents and family members of students. Our program consists of students who learn a variety of skills: respect, confidence, pride, humility, dedication, a strong work ethic, teamwork, and reliability. In the academic arena, our students hold the highest GPAs of any organization on campus. During competitions, and fundraising, our Band and Color Guard consists of approximately 200 very hard-working students.

The Kaiser Catamount Pride Marching Band and Color Guard is beginning its competition season for 2019–2020. Although the students and parents are involved in many fundraising activities throughout the year, we need to turn to our business owners and community neighbors such as you for financial donations and support.

The Henry J. Kaiser High School Catamount Pride Marching Band and Color Guard Booster volunteers and students appreciate your support. All donations are tax deductible and a receipt for tax purposes will be provided. Community neighbors and businesses who support our program may be eligible to receive recognition depending upon their contribution and involvement if they so desire.

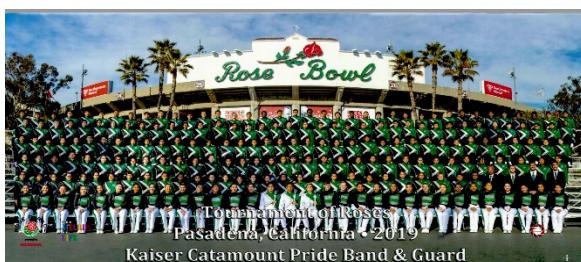

Eligible supporters' business names will be printed in our home programs and posted on the band's website for recognition and our thanks. For optional larger donations, we would place your company logo on our trailer and semi-trailer which accompany us to our many competitions and parades. The displaying of your company name will also serve as a means of business promotion as a proud supporter of Kaiser Catamount Pride Band and Color Guard.

We truly value your support and hope that you will consider investing into our program.

Sincerely,

Lulu Avila

Lulu Avila
Booster President

Enclosed suggested donation amounts for business promotion options and other items needed
